Product Description

Cook an entire meal at once - the large 2.9 cu. ft. self-clean oven accommodates multiple dishes and features heavy-duty handle-style oven racks that pull out easily with an oven mitt

Confidently remove or baste what's in your oven with less fear of getting burned - two integrated handle-style oven racks add a measure of safety when used with an oven mitt. They pull-out easily for convenient loading and removing

Added on February 16, 2009
